

Providing Solutions and Services exclusively to the QAD Community since 1995
Process Improvement via *Data-Driven* Approval Routing and Workflow

iPurchase™ iVoucher™ iApprove™ iQuote™

 **feel your pain** 

ISS Group's Solutions have proven to 'reduce the pain' and improve efficiency of processing QAD transactions such as creating Purchase Orders, reconciling Supplier Invoices, creating Sales Orders, and many other QAD Integrated Processes being performed by your company every day. Come learn how Rea Magnet Wire will be using the iApprove™ Solution to streamline the creation of Sales Orders to reduce process cycle time and cost, reduce human error, improve communication between departments and more.

See other side of collateral for more detail.....
